National Collaborative
Outreach Programme

Why choose Higher Education (HE)?

Studying a Higher Education qualification brings a range of life long benefits which include, but are not limited to:

- ▶ A greater range of available jobs
- ▶ The potential to earn a greater income over your working life
- ▶ The opportunity to gain work experience in your chosen field
- ▶ A deeper knowledge and increased skill set in your area
- ▶ The opportunity to meet like minded people
- ▶ The opportunity to undertake new experiences

Who studies for a HE qualification?

Anyone! Higher Education is available to anyone aged 18 and over, and there are full and part time study options available to suit your needs. To access Higher Education qualifications applicants will be expected to have some previous education, but there are many options available.

Think about where you want your **FutureMe** to be and visit www.futureme.ac.uk to find out more about the higher education options available to you.
