

Cashless payments via ID cards

Darlington College have made the switch to cashless payments. Due to the coronavirus outbreak, this is a safer way to pay for your meals, snacks and drinks.

Cashless payments are payments you can make for catering on site with your ID card which has been preloaded with funds. The card can be topped up by Debit / Credit card at any till, and you can top up online using our Cashless Web portal <https://cashlessportal.darlington.ac.uk/>. This site offers you the freedom to make payments whenever you like, 24 hours a day, 7 days a week – safe in the knowledge that the technology used is of the highest internet security available.

If you wish to use this facility, you will be able to access your secure online account, which will be activated using a unique username and password

Your unique Cashless Web Portal Account activation details:
